I can still remember this day vividly... My favorite day."*

Getting There

Alphaland owns and operates a fleet of aircraft, including two ATR 72s (66 pax and 68 pax) and two Cessna Grand Caravans (9 pax each). These aircraft are on regularly scheduled flights every day to and from Balesin.

Balesin is only 59 nautical miles from Manila, and just a bit more from Clark. Alphaland has its own well-appointed lounges at both NAIA and at Clark.

Balesin is the only resort in the Philippines with a lighted runway, and can therefore operate as a 24-hour aerodrome.

Since Balesin is only a 30-minute flight from Manila or Clark, we have the capacity to transport as many as 700 pax per day. If necessary, we are also able to accommodate additional passengers by chartering aircraft.
